The Nijoli Customized Facial

Customized Signature Facial Treatment \$100

This is one of the most complete and personalized skin treatments you will ever experience! Our highly trained skin professionals will thoroughly analyze your skin and develop a treatment specific to your skin's needs with the help of our facial boosters. Our customized facial includes a professional exfoliation for the ultimate skin renewal.

Specialized Facial Treatments

Age Smart Facial \$130

This is a new approach to anti-aging facials. This facial helps to treat aging skin at the source by addressing the biochemical reactions that trigger visible signs of aging before they start. For existing signs of aging, this facial will help smooth, retexturize, hydrate, increase elasticity, and stimulate collagen formation.

Vitamin C Facial \$130

This facial is wonderful for all skin types. Vitamin C isn't just for signs of skin damage; it can also help prevent free radical damage in the first place. This facial will brighten, firm and helps reduce the appearance of fine lines and wrinkles. The professional serum used in this facial delivers 3x more Vitamin C in the treatment room.

Seasonal Hydro Jelly Facial \$130

Jelly masks aren't your typical skincare product! A jelly face mask produces a soft, vacuum-like seal over the face that deeply hydrates and pushes nourishing ingredients into the skin within making it the ideal tool for self-care and skincare. We will customize your facial to meet your specific skin care needs based on the changing New England weather.

Gentleman's Facial \$100

A treatment for men similar to the customized signature facial treatment. We designed this service especially for men with consideration of their sensitive skin due to shaving.

Back Facial + Extraction Treatment \$125

Back facials can be beneficial in cleansing those tough-to-reach spots, targeting a variety of skincare needs such as clogged pores, back acne, and dehydrated skin.

Young Adult Facial \$75 (ages 16 & under)

Educating young adults on proper skin care will greatly benefit their health in the future. This facial combines consultation with a relaxing treatment, based on the needs of this young skin type.

Advanced Skin Therapies

Dermalogica's Pro Power Peel \$150

This is Dermalogica's strongest peel. The full suite of peel products include AHAs, BHAs & TCA. It safely removes a dull outer layer of the skin and helps the skin underneath for a smooth and radiant complexion. It helps to address skin roughness, fine line and wrinkles, signs of photodamage, acne breakouts, some forms of hyperpigmentation and unbalanced skin tone.

Microneedling \$200

Your esthetician uses thin needles to make tiny holes in the top layer of your skin. The damage helps stimulate your skin's healing process, so it produces more collagen and elastin. These proteins keep your skin firm and smooth. This helps to minimize pore size, improve fine lines and wrinkles and reduce acne scars.

Nano-needling \$180

Nano-needling is a non-invasive transdermal serum delivery system. It helps to address similar skin concerns as microneedling, however there is little to no downtime and can be used around sensitive areas such the eyes and lips. Nanoneedling is less deep than microneedling and only penetrates the first layer of the skin, whereas microneedling will address deeper concerns.

There is a \$3.50 additional house charge per visit due the substantial increase of costs.

Dermaplaning

Dermaplaning is a cosmetic procedure that removes the top layers of your skin. The procedure aims to remove fine wrinkles and deep acne scarring, as well as make the skin's surface look smooth. One of the most commonly cited benefits of this treatment is the rested, rejuvenated appearance it gives our guests. The skin on the face takes on a smoother and more youthful look.

the dermalogica dermaplaning experience \$125 (1 hour)

With this one hour service, you will receive a thorough cleansing with the additional benefits of added serums and a customized mask to make your skin radiant, smooth and gorgeous.

express dermaplaning \$85 (30 minutes)
